1. INTRODUCTION.

Travancore Devaswom Board is a statutory and autonomous body constituted in the year 1950 under the Travancore Cochin Hindu Religious Institutions Act, 1950 (Act XV of 1950) which manages around 1250 temples across the southern part of Kerala. The regular operations of one of the major temples of India, Sabarimala temple works under the guidance of Travancore Devaswom Board. TDB is formed with an objective to maintain and protect temples and temple properties. It also gives its prime priority towards pilgrim welfare and belief.

2. OBJECTIVE.

The objective of this EOI is to select Scheduled Commercial Banks (SCBs) for providing Digital Cash Transaction Services for the temples and offices maintained by Travancore Devaswom Board. These digital cash transaction services include UPI payment system, Debit/Credit Card transactions, Payment Gateway service. The selected Banks will enter into a Contract at **Annexure-I** with the Devaswom Commissioner, Travancore Devaswom Board for providing the aforesaid services.

3. SCOPE OF WORK.

Travancore Devaswom Board plans to provide digital cash transaction facilities to the devotees who avails various services from us. Travancore Devaswom Board receives an income of 700 crore rupees annually. If digital transactions are to be introduced to the devotees, we expect that around 30%-40% of the total transactions will be done digitally. We also expect a nominal hike in generation of income via these services.

The detailed Scope of Work for the said services includes the following: -

- 3.1 Facility to receive payment through dynamic QR system at temple counters for the services offered at temples.
- 3.2 Facility to receive payments through all types of Debit and Credit cards of all banks at temple counters for the services offered at temples.
- 3.3 Facility to receive building rent through POS machine for the buildings under Travancore Devaswom Board.
- 3.4 Facility to receive room rent for the guest houses under TDB
- 3.3 Payment Gateway Facility for all types of Debit and Credit Cards of all banks/Internet Banking/Mobile Banking/IMPS, RTGS, NEFT etc.

- 3.2 The bank is expected to coordinate with the vendor hired for development of the online booking service website regarding payment interface and provide the service during the operations of its Payment Gateway.
- 3.3 TDB is expecting the bank to support us in development of a billing software which can be used in the POS machine provided by the bank for various services.
- 3.4 Bank is expected to provide the minimum service level of 99% during the operations of these services.
- 3.5 The selected bank should provide necessary technical assistance and problem redressal regarding the POS machines during agreement period.
