INVITING ADVERTISEMENTS IN SABARIMALA DIGITAL PILGRIM MANAGEMENT SYSTEM

1. ABOUT SABARIMALA PILGRIM MANAGEMENT SYSTEM (SPMS)

Sabarimala is the most visited pilgrim centre in Kerala. The number of devotees to Sabarimala is increasing every year exponentially. Travancore Devaswom Board is responsible for the crowd management of the pilgrims visiting Sabarimala during the pilgrimage season starting from November to January. To regulate and streamline the devotees at Sabarimala, the Travancore Devaswom Board has been managing a virtual-q system with the help of M/s TCS Hyderabad. All pilgrims should register in Sabarimala portal for darshan in advance and will be issued e-tickets which have to be produced at Pampa for darshan.

The Portal enabled the pilgrims to reserve their place in the Queue for the Sabarimala pilgrimage at a specified hour on any day when the shrine is open on a "First Come, First Serve" basis. The pilgrims could select the date and time of joining the queue, by accessing the Web Portal and they were provided accommodation in the Queue subject to availability.

Devotees from all over the world who propose to visit Sabarimala will benefit by this portal. It will have more details, information and guidelines which are very useful for the Sabarimala Pilgrims, with multi language support.

Sabarimala Pilgrim Management System facility is provided by Travancore Devaswom Board as a part of Crowd Management which in turn saves precious time for the Pilgrims. This facility is absolutely free of cost to the pilgrims as it is funded by advertising revenue. Pilgrims without Advance Queue Coupon can also have their

pilgrimage as in the previous years availing entry cards from Spot Booking Counters at Nilakkal and Pampa.
